

RATING VALUATION SERVICE PROVISION

REQUEST FOR PROPOSALS - 01/02 - 240

The Christchurch City Council is seeking proposals from Registered Valuers for the supply of Rating Valuation Services for the three year period commencing 1 July 2002.

The services required are described in the Request For Proposal documents together with the proposal response forms. The Council is seeking proposals for all of the services required although valuers who wish to provide services for part of the city will be considered (with a minimum of 25,000 assessments). There are 153,000 assessments in the city, of which 137,000 are rating assessments.

The Rating Valuations Act requires that only Registered Valuers may act as a Valuation Service Provider.

The Request for Proposal documents together with the response requirements will be sent in electronic format via an E-mail to qualified applicants on request.

The Request for Proposals closes on 12 noon on Wednesday 17th April 2002 by written response delivered to the Council's tender box.
