

PUBLIC MEETING

RE SANDOWN CRESCENT/CARISBROOKE STREET

PEDESTRIAN ACCESSWAY

The Burwood/Pegasus Community Board is hosting a public meeting for all residents in the neighbouring area to discuss the future of the Sandown Crescent/Carisbrooke Street pedestrian accessway.

The Community Board has received a request and petition from residents in the area requesting that the pedestrian accessway be closed. Concern was expressed about the amounts of graffiti and ongoing vandalism and criminal behaviour associated with the accessway.

You are invited to attend the meeting to express your views. The meeting is at:

Salvation Army Hall, 32 Portsmouth Street, Wednesday 10 April 2001, 7.00 pm.

Please contact Adrian Carpinter at the Shirley Service Centre if you require any clarification on 386-0905.
