

PUBLIC STREET ENCLOSURES POLICY - PUBLIC NOTICE

The Christchurch City Council is developing a policy for the licensing of parts of the public street space for outdoor dining. The policy will guide decision-making on the location and extent of licensed areas throughout the city and the type of furniture, planters, windbreaks, canopies and other enclosing structures that will be permitted.

Copies of the draft policy (Public Street Enclosures Policy) and the accompanying review document (Public Street Enclosures: - Review) can be obtained from:

Joanne McKay, Christchurch City Council, P.O. Box 237, Christchurch 1, phone 371 1953, or from the City Council's website at: www.ccc.govt.nz/consultation

Written submissions on the proposed policy close on Monday 13 May 2002 and should be addressed to the City Streets Unit Manager, Christchurch City Council. There is no official form to complete. Submitters will have the chance to speak to their submission at a meeting of the Sustainable Transport and Utilities sub-committee considering this matter on Monday 27 May (please indicate on your written submission if you wish to speak before the sub-committee). The policy will go before the Council on Thursday 27 June 2002.
