HILLARY COMMISSION COMMUNITY SPORT FUND
CHRISTCHURCH CITY COUNCIL COMMUNITY DEVELOPMENT
GRANTS SCHEME AND COMMUNITY LOANS SCHEME
FINANCIAL ASSISTANCE TO RECREATION, SPORTING
AND COMMUNITY ORGANISATIONS

Applications for financial assistance and loans under the 2001 Hillary Commission Local Funding Scheme and from the other schemes shown above are now being invited by the Christchurch City Council.

This includes groups catering for active sporting activities and more passive recreational pursuits. The focus is on the development of junior sport.

In addition to the sport and recreational projects funded by the Hillary Commission, the Council has made further funding available to provide for applications from community groups whose activities reflect the principles of community development. Such community organisations are, therefore, also invited to make application for funding under the Council's Community Development Scheme.

Application forms and further details for all of the above schemes may be obtained from your local Council's offices.

Applications close on Friday 30 March 2001.

For advice on your application and for application forms, please telephone the Community Activities Officer at the following Council offices:
