

7. BREEZES ROAD: “NO STOPPING” LINES

Officer responsible Transport and City Streets Manager	Author Malcolm Taylor - Traffic Engineer (Community), DDI 941-8604
--	--

The purpose of this report is to seek the Board’s approval to extend the “no stopping” lines in Breezes Road outside the Aranui Primary School (see attachment).

The Police have expressed concern at the number of north-bound motorists on Breezes Road, who are not stopping when the Kea crossing control is operating outside the Aranui Primary School. On site discussions with the Police, Land Transport Safety Authority, school principal and Council staff have resulted in a request for the existing “no stopping” lines on both sides of Breezes Road to be extended.

The resident who is effected by the extension of the “no stopping” lines in front of number 280B Breezes Road, supports the work.

Further discussions took place with the school principal and the Land Transport Safety Authority to approve the repositioning of the Kea crossing flag on the north-eastern side of Breezes Road to improve its visibility.

These safety improvements will allow the Kea crossing signs and flags on both sides of Breezes Road at the Aranui Primary School to be more visible to approaching motorists. These measures will help to improve the compliance and safety in the area of the school.

Staff

Recommendation:

That the Board approve the following “no stopping” changes:

1. That the stopping of vehicles prohibited at any time on the south-western side of Breezes Road commencing at a point 152 metres from its intersection with Pages Road and extending in a north-westerly direction for a distance of 24 metres be revoked.
2. That the stopping of vehicles be prohibited at any time on the south-western side of Breezes Road commencing at a point 130 metres from its intersection with Pages Road and extending in a north-westerly direction for a distance of 46 metres.
3. That the stopping of vehicles prohibited at any time on the north-eastern side of Breezes Road commencing at a point 155 metres from its intersection with Pages Road and extending in a north-westerly direction for a distance of 39 metres be revoked.
4. That the stopping of vehicles be prohibited at any time on the north-eastern side of Breezes Road commencing at a point 155 metres from its intersection with Pages Road and extending in a north-westerly direction for a distance of 45 metres.

Chairperson’s

Recommendation:

That the abovementioned recommendation be adopted.
