

5. AORANGI ROAD - P120 PARKING RESTRICTION

Officer responsible Manager, Transport and City Streets	Author Barry Cook, DDI 941-8938
---	---

The purpose of this report is to seek the Board's approval for the installation of a parking restriction for 120 minutes on the south side of Aorangi Road near Condell Avenue.

Residents in this area have no opportunity to park on the street because of the all day parking created by staff from Allenvale School across the road, and Windermere Christian School around the corner in Condell Avenue. This request came from the residents who are all in agreement with the proposal as shown on the **attached** plan.

Staff

Recommendation: That the parking of vehicles be restricted to a maximum period of 120 minutes on the southeast side of Aorangi Road commencing at a point 38 metres from its intersection with Condell Avenue and extending in a southwesterly direction for a distance of 13 metres.

Chairman's

Recommendation: That the above recommendation be approved.
