

## 6. HAREWOOD ROAD – PROPOSED NO STOPPING

<b>Officer responsible</b> Manager, Transport and City Streets	<b>Author</b> Andrew Hensley, DDI 941-8516
---	---

The purpose of this report is to seek the Board's approval for the installation of a no stopping restriction at the intersection of Harewood Road and Trafford Street, outside No. 505 Harewood Road.

A resident has raised concerns about the visibility to the south east when exiting Trafford Street onto Harewood Road. Staff concur with this view, in particular if vehicles are parked within the edge line taper on Harewood Road.

To improve this situation it is proposed to install no stopping lines around the south eastern corner of the intersection outside No. 505 Harewood Road.

### CONSULTATION

The property owner of No. 505 Harewood Road is in agreement with the proposal as shown on the **attached** plan.

#### Staff

- Recommendations:**
1. That no stopping controls be installed on the southern side of Harewood Road at its intersection with Trafford Street, extending in a south easterly direction for a distance of 22 metres.
  2. That no stopping controls be installed on the eastern side of Trafford Street at its intersection with Harewood Road, extending in a south westerly direction for a distance of 10 metres.

#### Chairman's

**Recommendation:** That the above recommendations be adopted.
