

7. ONSLOW STREET – RESIDENTS’ PARKING

Officer responsible Manager, Transport and City Streets	Author Barry Cook, DDI 941-8938
---	---

The purpose of this report is to seek the Board’s approval for the installation of a “residents’ parking only” restriction on the east side of Onslow Street, just south of Clare Road.

The Council has received a request from the residents at 24 Onslow Street for “residents parking only”. The house occupies the entire frontage of a narrow section (see **attached** plan) and there is no opportunity to drive a vehicle wholly onto the property. This is in an area where there is all day commuter parking. It complies with Council’s policy for residents’ parking.

Staff

Recommendation: That the parking of vehicles be restricted to “vehicles displaying residents’ permits only at any time” on the east side of Onslow Street commencing at a point 29 metres from its intersection with Clare Road and extending in a southerly direction for a distance of 5.5 metres.

Chairman’s

Recommendation: That the above recommendation be adopted.
