

3. TENNYSON STREET P60 PARKING RESTRICTION

Officer responsible Manager, Transport and City Streets	Author Basil Pettigrew, DDI 941-8542
---	--

The purpose of this report is to obtain the Board's approval for the replacement of the P30 parking restriction in Tennyson Street, adjacent to Colombo Street, with P60 parking.

The existing P30 parking restriction is on the north side of Tennyson Street, east of Colombo Street, and will accommodate nine vehicles.

The Board recently approved the installation of an additional section of "P10 at anytime" for four vehicles just north of Tennyson Street, to meet the needs of three take-away shops, a butcher, and a cake shop.

Recent consultation with other local businesses has determined that they would like the existing P30 restriction in Tennyson Street extended to P60.
