

17. **CANTERBURY WASTE SUBCOMMITTEE - UPDATE KATE VALLEY REGIONAL LANDFILL COSTING CHARGES**

Officer responsible City Water and Waste Manager	Author Kevin Roche, Committee Secretary, DDI 941-8536
--	---

The purpose of this report is to advise the Committee of the overall estimated project costs and indicative charges for the new regional landfill at Kate Valley.

At the 8 July 2004 meeting of the Canterbury Waste Subcommittee (CWSC) members received two confidential reports from Mr Gareth James, General Manager, Canterbury Waste Services Limited, on the overall estimated project costs and indicative landfill disposal charges. Both reports contained confidential information. However, the CWSC resolved that the two reports with the confidential information removed be provided to all shareholder councils for their information.

Accordingly the two reports, as circulated to all shareholder councils, are attached for the information of Committee members.

In addition a seminar for all shareholder Council members is to be held at **3pm on Monday 16 August 2004** in the Christchurch City Council Chamber to provide a briefing on the reports and to allow the opportunity for members to ask further questions.

Chairman's

Recommendation: That the information be received.
