

## 8. NOTICE OF MOTION: PUBLIC MEETING BEALEY AVENUE RESIDENTS

To consider the following motion, notice of which has been given by Yani Johanson pursuant to Standing Order 2.16.1:

*Given the concerns expressed at the public meeting on 1 November 2004 of Bealey Ave residents and others, at the nuisance generated from noisy exhausts and speeding traffic (see attached minutes); and*

*Noting the resolution of the Christchurch City Council on 11 November 2004 which states: "That the Council facilitate a discussion with relevant stakeholders to canvass solutions to the problem."*

*That the Board:*

1. *Recommend to the Council that a joint seminar with all elected members be held with the Police, LTSA, local MPs and other relevant parties to discuss a strategic citywide response to the nuisance associated with noisy vehicles.*
2. *Recommend to the Council, the establishment of a working party of key stakeholders to actively progress the issues raised in the discussion.*
3. *Seek a report from Council staff on options for dealing with the associated safety and speed issue on Bealey Avenue, including:*
  - *the process for establishing a static speed camera*
  - *using appropriate signage*
  - *any other potential measures*
4. *Express support to local Police for increased traffic enforcement along Bealey Avenue.*
