The purpose of this report is to update the Board on the Council's deliberations in respect of Community Board delegations.

As the agenda for today's meeting was circulated prior to the Council resolving on the question of Community Board delegations, the following items of business may require any position of the Board to be recommended to the Council for decisions.

- Solway Avenue angle parking

The Council has yet to resolve on delegations to Community Boards and this may be an item of business for their meeting on Thursday 16 December. Therefore the Board will not be able to make a definite decision in respect of the Solway Avenue deputation. Any recommendations that the Board makes can go to the first Council meeting on 3 February 2005 or to the first meeting of the Community Board on 8 February 2005 for confirmation.
