

2. SALISBURY STREET CONSTRUCTION ZONE

Officer responsible Principal Transport Planner/Team Leader	Author Barry Cook, Traffic Engineer (Community), DDI 941-8938
---	---

The purpose of this report is to seek the Committee's recommendation that the Board approve the installation of a "Construction Zone Authorised Vehicles Only" on the south side of Salisbury Street between Colombo Street and Manchester Street (see attachment).

A request has been received from Hawkins Construction for a construction zone outside Nos 138, 140 and 142 Salisbury Street where a redevelopment of the site is taking place, which will continue until 30 November 2004. There are currently no parking restrictions in this area and all day commuter parking occurs. After November the area will revert back to all day parking.

The construction zone will not only assist the operations on the site, but will also prevent damage to parked vehicles and improve the safety for the traffic flow in Salisbury Street, which is a "one way" arterial road.

Staff

Recommendation: That the Committee recommend to the Board that:

1. A "Construction Zone Authorised Vehicles Only" be created on the south side of Salisbury Street commencing at a point 59 metres from its intersection with Colombo Street and extending in an easterly direction for a distance of 24 metres.
2. The area revert back to all day parking on completion of the works.
