The purpose of this report is to ask the Board to give consideration to the preparation of a submission on the Draft LTCCP.

All members will have a copy of the five volume plan and our session today will give an opportunity to discuss the contents of the plan (as well as issues that may not be included within the plan) and to prepare a Board submission which is required to be done by Thursday 6 May 2004.

Our Community Advocate, Martin Maguire, will lead this session.
