

19. NORTHEAST CHRISTCHURCH METRO SERVICE REVIEW

Officer responsible Community Advocate	Author Nick Chapman, DDI 941-5407
--	---

The purpose of this report is to advise the Board of an opportunity to make a submission on the proposed changes to routes number 46 Shirley via the Palms and 41 Horseshoe Lake service.

A letter from Environment Canterbury detailing the changes and outlining the secondary consultation process yet to be carried out has been circulated to members.

Submissions or comments on the consultation process are requested by Friday, 7 May 2004.

Staff Recommendation: For discussion

Chairperson's Recommendation: That the plan as recommended by ECAN subject to minor changes identified by local residents be approved.
