The purpose of this report is to seek the Board’s approval to install “Give Way” signs in Watermill Boulevard, Riverbank Road, Brookfield Drive, and “No Stopping” Parking Restrictions in Watermill Boulevard and Hussey Road in the Styx Mill Country Club subdivision. (see attachment)

This subdivision is located at the eastern end of Hussey Road, Northwood and is now being opened for housing development. As part of the development “Give Way” controls are required to be installed at the intersection of Watermill Boulevard and Hussey Road, and on the eastern approach of Riverbank Road and the western approach of Brookfield Drive to Watermill Boulevard.

Because Broomfield Drive and Riverbank Road are a cross intersection with Watermill Boulevard the Give Ways will determine right of way. The “Give Way” sign at Hussey Road will remove the confusion between right turning vehicles and make the intersections safer for through traffic on Hussey Road. The installation of the “No Stopping “ restrictions will ensure the intersection is kept clear of parked vehicles, making it safer for all road users
