The purpose of this report is to obtain the Board's approval for the installation of a further P10 parking restriction to apply 24 hours a day on the east side of Colombo Street, just north of the signals at Tennyson Street.

The existing P30 parking restriction is adjacent to three takeaway shops, a butcher and a cake shop. The five business owners have all required that the restriction be changed from P30 to P10 at any time, because their clients are having difficulty finding a parking space in close proximity.

The proposal is shown on the attached plan.

It is also relevant that there is P30 parking for nine vehicles available in Tennyson Street just east of Colombo Street.

Staff

- Recommendation:**
1. That the P30 parking restriction on the east side of Colombo Street, commencing at a point 26 metres from the intersection of Tennyson Street and extending in a northerly direction for a distance of 49.5 metres, be revoked.
 2. That the parking of vehicles be restricted to a maximum period of '10 minutes at any time' on the east side of Colombo Street, commencing at a point 26 metres from its intersection with Tennyson Street and extending in a northerly direction for a distance 49.5 metres.
