The purpose of this report is for the Board to consider the appointment of two members to attend the Community Board Conference to be held in Dunedin in March 2005.

At the Chairperson's and Community Advocates meeting held on 2 July 2004 it was agreed that a maximum of two members from each Board should attend.

From a planning point of view it is important that the accommodation is booked early in advance.

As the Conference occurs during the new term of the Board it would seem practical that any resolution on attendees should be referred to the incoming Board.
