PURPOSE OF REPORT

1. The purpose of this report is to seek a Board representative on the Waltham Overbridge Artwork selection panel.

EXECUTIVE SUMMARY

2. A public artwork is to be installed by the Waltham Overbridge. Artists will be invited to submit a concept design for the site by the limited competition selection process. A selection panel; comprising the Maori Arts Advisor, Landscape Design Leader, a local art teacher, a local business representative, Community Engagement Adviser, and a Hagley/Ferrymead Community Board representative will review the concept designs and decide which artist should be awarded the contract to develop the Waltham Overbridge Artwork.
3. The selection panel review of concept designs is planned for 5 April 2005. There may be a few other meetings which the Hagley/Ferrymead Community Board representative may also have to attend.

FINANCIAL AND LEGAL CONSIDERATIONS

3. No substantive financial implications have been identified as a result of nominating a Community Board member to the Waltham Overbridge Artwork selection panel outside of mileage costs to attend selection panel meetings.
4. The nominated Community Board representative should not have an undeclared interest in any of the artists who will be invited to submit a concept design for this project.

STAFF RECOMMENDATIONS

It is recommended that the Board nominate a representative to the Waltham Overbridge Artwork selection panel.

CHAIRPERSONS RECOMMENDATION
