

1. RESOLUTION TO BE PASSED - SUPPLEMENTARY REPORTS

Approval is sought to submit the following reports to the Finance and Planning meeting of Thursday 27 April 2006:

- Board Submission – LTCCP – Our Community Plan 2006-16
- Board Submission to Environment Canterbury's Long Term Council Community Plan

The reason, in terms of section 46(vii) of the Local Government Official Information and Meetings Act 1987, why the reports were not included on the main agenda is that they were not available at the time the agenda was prepared and they cannot wait for the next meeting of the Board.

RECOMMENDATION

That the reports be received and considered at the Finance and Planning meeting of 27 April 2006.
