

## 2. PROJECT FUNDING 2006/07 – ALLOCATIONS

The purpose of the seminar is to provide the Board with this initial opportunity to review the various applications (bids) received for the Board's project funding for 2006/07.

Copies of the supporting papers to be more formally reported to the Board in due course are **attached**.

Board decisions on the various allocations are required to be made by 18 May 2006, meaning sign off will need to occur at the Board's 16 May 2006 meeting at the latest.
