

2. SPREYDON/HEATHCOTE COMMUNITY BOARD'S OBJECTIVES FOR 2006-09 (CONT'D)

Discussion to continue on progressing the implementation of the adopted priorities for 2006/07 regarding the Board's Objectives for the 2006/09 period.

In addition, staff will assist in providing further information on the following matters as requested at the previous meeting of the Committee:

- Ideas for progressing a "Know Your Local Stream" campaign.
- The Addington Cemetery Conservation Plan – how can the heritage aspects be progressed?
- Existing local business groups or forums currently in place.
- Ideas for Heritage Week 2006.
- Board communications strategy.

Separately circulated to members is a copy of the Board's objectives including the areas of priority adopted by the Board on 1 August 2006, as marked in bold and underlining.

Also **attached** for members information is a schedule showing the achievements to date against the Board's 2006/09 objectives. The achievements are generally those from 1 July 2006 onwards, although Board funding decisions for 2006/07, and the Board's submission on the LTCCP, have been taken into account.
