

5. MEETING DATES

Given the involvement of members in their own businesses or various organisations it is difficult to find a meeting date that suits everyone.

For the past two years the third Monday in each month has been used and if this is to be followed then the Forum's meetings would then be:

20 February
20 March
10 April (second Monday as third Monday is Easter Monday)
15 May
19 June
17 July
21 August
18 September
16 October
20 November
