

### **3. RATA STREET – RECONSIDERATION OF P120 PARKING RESTRICTIONS**

In July 2004 the Riccarton Business Association Inc. wrote to the Board seeking a review of the P120 parking restrictions currently in place in Rata Street.

In August 2004 the Riccarton Bush-Kilmarnock Residents' Association wrote to the Board expressing its objection to the Business Association's request.

Transport and City Streets Unit will give a PowerPoint presentation to the Board on the outcomes of its study of the current P120 parking restriction/on street parking review options.

The Committee will need to consider what, if any, advice or further information is required from staff on this issue.
