### PURPOSE OF REPORT

1. The purpose of this report is to seek the Board's approval for the installation of a 5 minutes parking restriction between the hours of 8.00 to 9.00 am and 2.30 to 3.30 pm, Monday to Friday outside the Queenspark School, Parklands (**plan attached**).

### EXECUTIVE SUMMARY

2. The Principal of the Queenspark School, has requested that the Council consider the installation of a 5 minute parking restriction between the hours of 8.00 to 9.00 am and 2.30 to 3.30 pm, Monday to Friday outside the Queenspark School on Queenspark Drive, Parklands.
3. The school has expressed concern for the safety of students outside the school during the morning drop-off and afternoon collection times. The installation of some short-term parking outside the school will discourage the need for double parking at these times.
4. The proposed parking restriction would be installed on the road at the north-western corner of the Queenspark Reserve with the support of the Greenspace Unit.
5. The school is currently installing some off-street parking facilities on the eastern side of the school with access from Pinaster Place.

### FINANCIAL AND LEGAL CONSIDERATIONS

6. The installation of road markings and signage is within operational budgets.
7. The Land Transport NZ Rules provide for the installation of parking restrictions.

### STAFF RECOMMENDATION

It is recommended that the Board resolve that the parking of vehicles be restricted to a maximum period of 5 minutes between the hours of 8.00 am to 9.00 and 2.30 to 3.30 pm, Monday to Friday on the eastern side of Queenspark Drive, commencing at a point 308 metres from its intersection with Radiata Avenue and extending in a northerly direction for a distance of 25 metres.
