

4. ACCESSIBLE CHRISTCHURCH

3.30PM-4.30PM

Presenters: Richard Mander (Humanware) and Don Rae (NZ Trade and Enterprise)

The seminar will introduce the concept of “Accessible” Christchurch and how many parties working together will be able to make this happen. The project’s vision is ‘Enabling full access and inclusion in society for the people with disabilities through technology implemented in the public environment’ and how we can all work together to do this.
