1. APOLOGIES

2. MONTCLARE RESERVE PLAYGROUND UPGRADE

At a seminar meeting on 26 March 2007 the Committee supported the option that staff re-consult with the public on the junior playground option; vs a new fort option (resource consent required), provided that initial findings into resource consent issues are favourable. If that is not the case, then the Board indicated that it would favour reconsideration of the original staff report that is currently lying on the table.

Staff will be present to present further information on this proposal.

3. KYLE PARK CONCEPT PLAN

Staff will be present to discuss the draft concept plan for Kyle Park.
