

2. BUS PRIORITY PROJECT (CITY SOUTH ROUTE) - CONSULTATION PLAN

Richard West, Project Manager, Capital Programme Team (Transport), will lead a presentation on the consultation plan for the Bus Priority Project (City South Route). The Bus Priority Project has been initiated as part of the Public Passenger Transport Strategy developed by the Christchurch City Council and Environment Canterbury. The City South Route cuts through both Spreydon/Heathcote and Hagley/Ferrymead wards.

Staff from the Council's communication team and Environment Canterbury will be in attendance to answer members' questions and obtain feedback.

Copies of the draft consultation plan and Bus Priority pamphlet are **attached**.
