**1. APOLOGIES**

**2. MONTCLARE RESERVE PLAYGROUND UPGRADE**

At its meeting of 13 March 2007 the Board resolved that the report lie on the table until a site visit of the reserve playground has been undertaken, and to request that staff provide information on the status of the fort and the design changes that would be required in order for the fort to meet the required playground safety standards.

Staff will be present to present further information on this proposal.
