PURPOSE OF REPORT

1. The purpose of this report is to seek the Board's approval to ratify an existing arrangement by issuing a Licence to Tussock Hills Farm Limited over those areas of reserve land contained within the Council's farm portfolio for up to five years.

EXECUTIVE SUMMARY

2. The Council owns substantial areas of farm/rural lands throughout Christchurch that are held for a number of purposes including, but not limited to, the protection of indigenous wildlife, habitat, storm water retention and ecological restoration.
3. Approximately 267.40 hectares was farmed by the Council by way of grazing cattle and/or making hay as a means of controlling vegetative growth and to allow for the purposes outlined in 2. above. The majority of the land is held by the Council in fee-simple; however these are some pockets of reserve contained within these areas. The subject areas of land are identified in the plans attached to this report.
4. In early 2006 the Council's Greenspace Unit considered that the land would be better managed by a third party through a Licence to Occupy or Lease arrangement, and in June 2006 proceeded to invite Request for Proposals (RFP) from interested parties to occupy the land for the grazing of cattle and/or making hay.
5. As part of the existing farming activity the Council owned a number of livestock, items of plant and produce that would become surplus to requirements in the event that the responsibility for farming the land transferred to another party. The RFP was extended to include the purchase of these assets by the successful registrant.
6. Five proposals were received and a weighted attributes assessment resulted in Tussock Hill Farm being selected as the preferred registrant.
7. A month to month Licence has been issued to Tussock Hill Farm pending the approval by three Community Boards (Hagley/Ferrymead, Burwood/Pegasus and Shirley/Papanui) to the issue of a Lease for a period of five years over the land held by the Council as reserve. The Corporate Support Manager has delegated authority to approve a Lease over the balance land held in fee-simple.
8. Procedural steps have been concluded under the RFP and this report seeks to ratify and formalise an interim monthly tenancy by creating a term tenancy as provided for in the RFP process.
9. The monthly tenancy was entered into following a proper leasing process for expediency to manage the Council's risk and property as it would have been untenable to have left the properties vacant or unmanaged for any extended period especially over the spring and summer periods.

FINANCIAL IMPLICATIONS

10. The annual licence fee as established through the RFP is \$25,000 plus GST. By disposing of stock and hay Council continued liability is removed.

Do the Recommendations of this Report Align with 2006-16 LTCCP budgets?
