

27. RESOLUTION TO BE PASSED - SUPPLEMENTARY REPORTS

Approval is sought to submit the following reports to the meeting of the Fendalton/Waimairi Community Board on Tuesday, 11 September 2007:

- **Proposed Lease To Burnside Squash Rackets Club Incorporated**

The reason, in terms of section 46(vii) of the Local Government Official Information and Meetings Act 1987, why the reports were not included on the main agenda is that they were not available at the time the agenda was prepared and they cannot wait for the next meeting of the Board.

RECOMMENDATION

That the reports be received and considered at the meeting of the Board on 11 September 2007.
