2. Funding is sought from the Riccarton/Wigram 2009/10 Youth Development Scheme which at the time of writing this report has an unallocated balance \$950.

EXECUTIVE SUMMARY

PURPOSE OF REPORT

1. The purpose of this report is to present an application for funding from Kirkwood Intermediate School on behalf of 10 students seeking to participate in a cultural exchange trip to Korea. The application is submitted to the Riccarton/Wigram 2009/10 Youth Development Scheme.

EXECUTIVE SUMMARY

2. The application is for costs associated with sending ten 12 year old students from Kirkwood Intermediate on a cultural exchange with Christchurch's Sister City, Song-pa-Gu in Korea, from 15 to 25 February 2010.

These students are:

Courtney Anderson, Halswell
Rebecca Baddeley, Ilam
Ciairah Chandre-Walsh, Riccarton
Orla Dawson, Riccarton
Sam Jarrett, Templeton
Georgia Philpott, Riccarton
Jessica Shatford, Hornby
Cullen Simpson, Upper Riccarton.

There are an additional five students participating in this exchange, but they do not reside in the Riccarton/Wigram ward. Kirkwood Intermediate is a decile seven school.

3. This exchange is subsequent to a visit from 15 students from Song-pa-Gu to the school in 2009. These exchanges have been organised by the Song-pa-Gu External Affairs team and the Christchurch City Council Sister City Committee through Kirkwood Intermediate.
4. In support of their application Kirkwood Intermediate comments that:
'Through visiting Korea our children (and the leaders) will be fully immersed in an Asian culture. They will live as Koreans do, and participate in a wide range of activities. More importantly they will build on friendships already begun during our Korean partner's visit to Christchurch. In preparation the students will learn a little language, they will learn about the history of Korea, and they will undertake an orientation programme before leaving Christchurch to help them settle into their home stay houses. The development in of cultural understanding seen in the previous visitors is just amazing! ... In the short term this programme allows children, families and sister cities to connect through a direct exchange. Children benefit greatly from this as does our school and our community. In the longer term we are establishing relationships and positive attitudes across cultures that will last a life time.'
5. Staff consider that there are many worthwhile aspects of this application.
 - The exchange clearly contributes to the Sister City relationship with Song-pa Gu.
 - The focus of the exchange is in agreement of the principle of diversity as outlined in the Council's Strengthening Communities Strategy.
 - The exchange will contribute to the personal growth and development of the young people, this being one of the areas that the Youth Development Scheme is focussed on.
6. However, staff are recommending that this application be declined because other applications currently before the committee are seen to be aligned more closely with the criteria for the fund. Specifically other applicants are seen to:
 - Meet the criteria of their activities leading to personal development and growth (as does this application), but also that of being chosen as representatives of their organisations at particular events.

- Have demonstrated a higher level of commitment through training in their particular field of endeavour than is the case for this application.
- Have stated more clearly how they will bring benefit back to the ward following the completion of their activity.

FINANCIAL IMPLICATIONS

7. Costs for this trip pro-rated for the 10 of the 15 children participating from this ward are as below.

Item	Total Cost	Amount requested
Airfares	18,791.20	\$2,000
Departure Tax	249.75	
Travel Insurance	1,108.90	
Extra Accommodation	2,000.00	
Travel	1,000.00	
Jackets	1,000.00	
General Expenses	1,333.00	
Costs for Adult Leaders	6,028.00	
	\$31,510.65	

The total cost of this trip for each of the 10 children is consequently approximately \$3,151.06

8. The school applied to the Riccarton/Wigram Community Board for financial support for this same purpose in 2008/09 and was granted \$1,200.
9. The young people have been involved in fundraising \$200 each for this trip through a car boot sale, disco, carwash, raffle and selling sunscreen. This is a total of \$2,000.
10. The school is committed to making a contribution of up to \$3,000 towards the costs of this trip.
11. Any shortfall between the amount raised and the cost of the trip will be met by the families of the children participating.
12. At the time of writing this report, the Board had an unallocated balance of \$950 remaining of the funds set aside for Youth Development Scheme applications from its Discretionary fund.
