

## 5. NOTICES OF MOTION

The following Notice of Motion is submitted by David Cox pursuant to Standing Order 3.10.1:

*That as the Council on professional advice decided not to fund the additional testing of McCormacks Bay following the culvert renewal, as recommended in the McCormacks Bay Steering Group Report, the Community Board consider accepting in principle the financial responsibility for defrayment of testing costs up to a maximum of \$15,000, dependant upon subsequent professional advice from Council staff.*
