PURPOSE OF REPORT

1. The purpose of this report is to seek approval from the Board to set aside funding from the Board's 2010/11 Discretionary Response Fund for the purpose of establishing a 2010/11 Youth Development Scheme Fund.

EXECUTIVE SUMMARY

2. The Youth Development Scheme provides small grants to eligible young individuals and youth not-for-profit groups. The purpose of the scheme is to celebrate and support young people living positively in the local community by providing financial assistance for their development. Applications to the fund will be considered in the following categories:
 - Educational Studies – This can include personal development opportunities such as leadership skills, career development and skills training, or community based educational studies.
 - Cultural Studies – This can include courses or seminars such as Te Reo lessons, musical training, arts colloquiums etc. It could be for attendance at cultural events taking place locally, nationally or internationally.
 - Representation at Events – It will provide support or assistance if you have been selected to represent your school, team or community at a local, national or international event. This includes sporting, cultural and community events.
 - Recreational Development – Assistance to attend or take part in one off or ongoing recreational events or participation at recreation or sporting development. For example – advance ballet classes in Wellington, representing Canterbury at rugby.
 - Capacity Building – Providing support for personal development or growth. For example – leadership training.
3. Applicants to be eligible will also need to meet the following criteria.
 - Age groups 12 to 25 years.
 - Projects must have obvious benefits for the young person and if possible the wider community.
4. Applicants will also be required to complete the application form (**attached**) and provide the additional material noted on this.
5. Applicants will also be asked how long they and their parents/caregivers have lived in Christchurch. This will allow Board members to take into consideration whether the funding requested is commensurate with the historic contribution of the applicant and their family, to rates in this city.
6. It is recommended that the Board delegate authority to allocate this funding to the Community Services Committee, to the end of minimising the amount of time between successful application and payment.
7. It is recommended that individuals only be allowed to apply once per financial year.
8. In making recommendations to the Board staff will make comment on the following matters:
 - The extent of additional funds that the individual or group has sourced from other funders, and the amount of fundraising undertaken.
 - The level at which the group or individual is performing in their chosen field.

FINANCIAL IMPLICATIONS

9. This proposal transfers funds from the Board's Discretionary Response Fund into a separate Youth Development Scheme Fund. This will in turn decrease the funding available for other applicants to the Board's Discretionary Response Fund. The Board may also allocate funding from the Board's Strengthening Communities Fund to the proposed Youth Development Scheme.
