### PURPOSE OF REPORT

1. The purpose of this report is to obtain the Hagley/Ferrymead Community Board's approval for one new road name.

### EXECUTIVE SUMMARY

2. The approval of proposed new road and right of way names is delegated to Community Boards.
3. The Subdivision Officer has checked the proposed names against the Council's road name database to ensure it will not be confused with names currently in use.

#### **St Lukes Street Horncastle Homes**

This subdivision (refer **attached**) will create 18 residential allotments with 15 of them being serviced by a new cul de sac. The other three allotments will have frontage to St Lukes Street. Three names are proposed for the cul de sac: Albie Place, St Alena Place and St Florian Place. "Albie" is a new baby son of a long serving staff member at Horncastles. He was born very premature, and both mother and baby fell very ill prior to Christmas. Whilst they are now recovering, the management at Horncastles felt it would be fitting to name the road after the child in respect of this, as the father was heavily involved in the subdivision and surrounding developments. The two "Saints names are in keeping with the existing Saints names in the locality – St Johns, St Marks, St Thomas, St Judes, and St Lukes. The developer has expressed a preference for Albie Place.
