

13. **CHILDCARE CENTRE LEASES**

General Manager responsible:	General Manager Community Services, DDI 941-8534
Officer responsible:	Community Support Unit Manager
Author:	Kathy Jarden, Leasing Consultant

PURPOSE OF REPORT

1. The purpose of this report is to provide information on the lease renewal process for 11 Council owned independently operated childcare facilities and seek recommendations from the relevant Community Boards to the Council for a resolution providing a delegation to staff to conclude new leases for each of them.

EXECUTIVE SUMMARY

2. The Council currently owns 11 childcare facilities independently operated under leases as detailed in the **attached** schedule. Two of the 11 centres are on land designated as reserve with the balance on fee simple land.
3. The properties are spread across six wards within the city. Therefore, to ensure consistent decision making and processes by the Council, this matter is being reported in this one generic report submitted to the relevant Boards for their recommendations to the Council for a single consideration and decision.
4. The leases for the 11 properties all expire on 30 June 2010. Negotiations have commenced with the existing individual lessees for a new lease. The rationale for dealing unilaterally with the existing lessees on expiry is set out in this report.
5. The proposed lease term is six years with one right of renewal for a further six years in the form of the Council's generic lease. This would result in a final expiry date of 30 June 2022, if the right of renewal is exercised.
6. The proposed rents are based on independent current market valuations. The decision to use market based rent was established by the Council in 2002 in response to a report on the setting of rents for childcare facilities.
7. This report recommends proceeding with the grant of new leases to the existing operators on the terms and conditions set out in the report and seeks a delegation to staff to finalise those leases.

FINANCIAL IMPLICATIONS

8. Independent valuation advice has been sought and the valuation for each childcare facility has taken a commercial view of the rental. Simes Ltd. has assessed each of the these centres acknowledging the improvements the centre has funded.
9. Each childcare centre currently receives an operating grant from the Council to cover the annual rent charged under the lease. For the period from 1 July 2010, the centres can apply for funding assistance using the Council's Strengthening Communities Grants process.
10. The proposed rents will ensure that Council properly manages its assets.

Do the Recommendations of this Report Align with 2009-19 LTCCP budgets?

11. Yes.

LEGAL CONSIDERATIONS

12. The Community Boards do not have the delegated authority to authorise the granting of the proposed leases on fee simple land; that decision needs to be made by the full Council. The Community Board does have powers to make recommendations to the Council.
13. The Fendalton/Waimairi and Shirley/Papanui Community Boards do have delegated authority to enter into leases for the Bishopdale Community Crèche at 129 Farrington Avenue and Redwood Early Childhood Centre Incorporated at 339 Main North Road, respectively, as these two are on reserve land. However for the purposes of consistent decision making and process, staff are recommending that these two Community Boards attend to those two leases in a similar manner as the other nine leases on fee simple land and do not exercise their delegation; thus leaving all 11 lease renewals for a single decision by the Council.
14. On 13 May 2002, a report to the Strategy and Finance Committee was tabled that recommended *“that the Council confirm its requirement that a system of grants and leases as outlined in the report be put in place.”* That report stipulated that the rent for *“each building is assessed at a market rental level in accordance with current Council policy”*. The recommendation was adopted by the Council on 23 May 2002. The method of rent subsidy for the childcare centres in Council-owned buildings was by an internal transfer of funds. This method has subsequently been made more transparent with the childcare centres making application for funding through the Strengthening Communities fund.

Have you considered the legal implications of the issue under consideration?

15. The Council's Legal Services Unit has advised on all aspects of the leases and associated issues.
16. The Council's generic lease for early education childcare facilities will form the lease document.

ALIGNMENT WITH LTCCP AND ACTIVITY MANAGEMENT PLANS

17. Yes.

Do the recommendations of this report support a level of service or project in the 2009-19 LTCCP?

18. Yes.

ALIGNMENT WITH STRATEGIES

19. The Council's support for the provision of childcare centres is highlighted in the Early Childhood Education Strategy 2001. The Council provides support to early childhood education through a variety of means. In these instances assistance is provided through the provision of a Council-owned building and a Council funded operating grant. As part of the Council's approved process for entering into formal lease arrangements with early childhood education providers the rent for the Council-owned building is assessed at a market rental. As part of a separate process, early childhood education providers are entitled to apply for financial assistance. Funding requests are assessed against a range of criteria including the location's socio-economic status and whether or not the provider may be able to pay rent. Funding requests are made through the Council's Strengthening Communities fund.

Do the recommendations align with the Council's strategies?

20. Yes.

CONSULTATION FULFILMENT

21. Not applicable.

STAFF RECOMMENDATION

Staff recommend that the Community Boards recommend to the Council that the Council adopts a resolution in the following form:

- (a) That the existing lessees for the childcare centres as listed in the attached schedule be offered a new lease upon expiry of their existing lease terms on 30 June 2010.
- (b) That the new leases be generally on the Council's generic lease terms and conditions.
- (c) That the initial term of the leases be six years with one right of renewal for a further six years, which provides for a final expiry date of 30 June 2022, if the right of renewal is exercised.
- (d) That the market rentals as set out in the attached schedule be adopted from lease commencement, with market related rent reviews at three yearly intervals.
- (e) That the Corporate Support Unit Manager be granted delegated authority to conclude and administer the leases, as generally set out in the above resolutions.

THE OPTIONS

37. To enter into a new lease with the existing tenants as detailed in Schedule A.
38. Not enter into a new lease with the existing tenants and call for expressions of interest for the future use of these facilities.

THE PREFERRED OPTION

39. To enter into a new lease with each of the existing tenants who have maintained the building and land and are fulfilling an important community service.

40. The Council's normal practice is to deal in an open and transparent public manner, with the opportunity to lease the property made available to the general market through tender on expiry of any lease. The Council made a commitment in the Long Term Council Community Plan (LTCCP) to continue the provision of the early childhood facilities. To achieve this, the preferred option, for the reasons set out below, is to deal unilaterally with the childcare centres to negotiate a new lease and set a fair market rental for the property.
41. The Council has purpose-built some of the facilities and contributed to the upgrade of other facilities in conjunction with significant financial contributions made by the incumbent tenant and the Ministry of Education.
42. The current tenants are meeting the requirements of the Ministry of Education to maintain their childcare licence. The childcare centres own the business as the licences are specific to those organisations.
43. The Council is satisfied with the current operators and recent experience has shown that there is a limited market available if the Council were to seek expressions of interest for the 11 facilities.
