General Manager responsible:	General Manager of City Environment, DDI 941-8608
Officer responsible:	Transport and Greenspace Manager
Author:	Paul Forbes, Assistant Traffic Engineer

PURPOSE OF REPORT

1. The purpose of this report is to seek the Committee's recommendation to the Board to recommend to the Council to approve the new times and days for roads in the Riccarton/Wigram Ward currently on the "Register of Prohibited Times On Roads" ("The Register").

EXECUTIVE SUMMARY

2. At the Council meeting held on 22 April 2010 it was resolved that the existing "Prohibited Times on Road" be reassessed into the two categories presented at the meeting (refer **Attachment 2**, Paragraph d).
3. The Police are supportive of the tool that the Traffic and Parking Bylaw provides them with to control anti-social road user behaviour on roads that have been identified as "problem" areas. The Police also support consistency throughout the city.
4. Prohibited Roads should be categorised into two groups:
 - (a) Group A: Roads that are in industrial areas and have no through traffic function. The days and times are from 10.00pm to 5.00am, seven days a week;
 - (b) Group B: Rural roads that are of a residential nature and/or have some through traffic function. The days and times are from 10.00pm to 5.00am, Thursday to Monday, from 10.00pm on days immediately preceding Statutory Holidays to 5.00am on the Statutory Holiday and from 10.00pm on the statutory holiday to 5.00am the following day.
5. Selwyn District Council (SDC) also have a Traffic & Parking Bylaw that includes a "Register of Prohibited Times on Road". However, the times on SDCs Register are different from Christchurch City Council's Register. For Police to be able to enforce the "Prohibitions" on boundary roads, the times and days on each of these roads must be the same. Dawsons Road is the only boundary road currently on the "Register" in the Riccarton/Wigram Ward. Because Dawsons Road is already on the "Register" with times and days the same as SDCs "Register", Dawsons Road will be unaffected by this proposal.
6. Roads within Riccarton/Wigram that have existing prohibitions with times and days that differ from the two categories set at the Council meeting on 22 April 2010 are: Anchorage Road, Barbers Road, Calgary Place, Canada Crescent, Chinook Place, Dakota Crescent, Edmonton Road, Gerald Connolly Place, Green Lane, Hasketts Road, Hickory Place, Klondyke Drive, Leggett Road, McTeigue Road, Mountview Place, Paragon Place, Prairie Place, Produce Place, Roberts Road, Sonter Road, Timothy Place, Wilmers Road and Yukon Place. **Attachment 1** shows what changes need to be made so that the roads align with the two categories. Wigram Close, Hammersmith Drive, Ballarat Way, Kotzikas Place and Michelle Road are all consistent with the new times and days and therefore no change is required to the Register in regards to these roads.
7. With the exception of roads that are boundary roads with SDC, any roads added to the Register in the future will align with the new policy. SDC boundary roads will match the times and days on SDC's Register which are 9.00 pm to 5.00am, Monday to Friday.
8. It is the intention of this report to align the times and days of existing prohibitions on roads with those approved by the Council (refer **Attachment 2**, Paragraph d).
