General Manager responsible:	General Manager Community Services, DDI 941-8986
Officer responsible:	Unit Manager Recreation and Sports
Author:	Denise Galloway, Community Development Adviser

PURPOSE OF REPORT

1. The purpose of this report is to seek approval from the Board to set aside funding from the Riccarton/Wigram 2011/12 Discretionary Response Fund for the purpose of establishing a 2011/12 Youth Development Scheme Fund.

EXECUTIVE SUMMARY

2. The Youth Development Scheme provides small grants to eligible young individuals and youth not-for-profit groups. The purpose of the scheme is to celebrate and support young people living positively in the local community by providing financial assistance for their development. Applications to the fund will be considered in the following categories:
 - Personal Development and Growth:
 - Leadership Training
 - Career Development
 - Outward Bound / Spirit of Adventure
 - Educational Opportunities that are not a component of the school curriculum/subject.
 - Representation at Events - Individuals:
Applicants qualify for assistance if they have been selected to represent their school, team or community at a local, national or international event or competition. This includes sporting, cultural and community events.
 - Representation at Events - Teams:
As above, although teams are required to submit one application on behalf of the team members requiring funding assistance that reside in the Riccarton/Wigram ward.
3. Applicants to be eligible will also need to meet the following criteria.
 - Age groups 12-25 years
 - Projects must have obvious benefits for the young person and if possible the wider community.
 - Have applications submitted six weeks prior to the event taking place.
4. Applicants will also be required to complete the application form (**Attachment 1**) and provide the additional material noted on this.
5. Applicants will also be asked how long they and their parents/caregivers have lived in Christchurch. This will allow Board members to take into consideration whether the funding requested is commensurate with the historic contribution of the applicant and their family, to rates in this city.
6. It is recommended that the Board delegate authority to allocate this funding to the Community Services Committee, to the end of minimising the amount of time between successful application and payment.
7. It is recommended that individuals only be allowed to apply once per financial year.
8. In making recommendations to the Board staff will make comment on the following matters:
 - the extent of additional funds that the individual/group has sourced from other funders, and the amount of fundraising undertaken.
 - The level at which the group or individual is performing in their chosen field.

FINANCIAL IMPLICATIONS

9. This proposal transfers funds from the Board's Discretionary Response Fund into a separate Youth Development Scheme Fund. This will in turn decrease the funding available for other applicants to the Board's Discretionary Response Fund. The Board may also allocate funding from the Board's Strengthening Communities Fund to the proposed Youth Development Scheme.
