PURPOSE OF REPORT

1. The purpose of this report is for the Fendalton/Waimairi Small Grants Fund Assessment Committee to allocate the Fendalton/Waimairi Small Grants Fund for 2011/12.

EXECUTIVE SUMMARY

2. This report provides information to Committee members on the applications received for the Fendalton/Waimairi Small Grants Fund for 2011/12.
3. The total pool available for allocation in 2011/12, as outlined in the LTCCP, is \$72,529 Applications totalling \$100,096 were received. Recommendations totalling \$57,250 have been made. This leaves an unallocated balance available of \$15,279 in the fund if staff recommendations are accepted in full.
4. Operational Procedures for Small Grants state that:

"Any Small (Projects) grant funds still with Community Boards in fiscal month seven (7) of the financial year (January), whether by way of funding not being allocated at the time of the meeting or not being uplifted by grant recipients, without good reason, will remain in the Small (Projects) Fund and a further allocation round shall be convened."
5. If an alternative to a second round was preferred, then any option would need to go to Council as a Part A report. Two alternatives for any balance remaining after allocation on 31 August are:
 - (a) Any remaining balance becomes a savings and returns to the consolidated fund.
 - (b) Any remaining balance is transferred to the Fendalton/Waimairi Discretionary Response Fund 2011/12. The 2011/12 budget for the Fendalton/Waimairi Discretionary Response Fund is \$51,197.
6. The Decision Matrix (**separately circulated**) outlines the projects that funding is being sought for. Staff have ranked all projects as either Priority 1, 2, 3 or 4 and have made recommendations as to funding
7. Under the Small Grants Fund, organisations are asked to make applications for individual projects. As such, organisations may have made more than one application in order to fund separate projects and deliver a range of services

BACKGROUND

Strengthening Communities Strategy

13. The Council adopted the Strengthening Communities Strategy on 12 July 2007. The Strengthening Communities Grants Funding Programme comprises four funding schemes:
 - (a) Strengthening Communities Fund
 - (b) Small Grants Fund (Previously Small Projects Fund)
 - (c) Discretionary Response Fund
 - (d) Community Organisations Loan Scheme.
14. For detailed information on the Strengthening Communities Strategy's Outcomes and Priorities (refer **Attachment 1**). The specific criteria for the Small Grants Fund is also attached, (refer **Attachment 2**). Fendalton/Waimairi Community Board Objectives have also been used to assess projects, (refer **Attachment 3**).

The Decision Matrix

15. Information on the projects is presented in the separately circulated Decision Matrix. To ensure consistency, the same Decision Matrix format and presentation has been provided to the Metropolitan Small Grants Fund Subcommittee and all local Small Grants Fund Assessment Committees.
16. Applications are project-based; information is provided that relates specifically to the project for which funding is being sought, not the wider organisation.
17. All applications appearing on the Decision Matrix have been assigned a Priority Rating. The Priority Ratings are:
 - Priority 1** Meets all eligibility criteria and contributes significantly to Funding Outcomes and Priorities. Highly recommended for funding.
 - Priority 2** Meets all eligibility criteria and contributes to Funding Outcomes and Priorities. Recommended for funding.
 - Priority 3** Meets all eligibility criteria and contributes to Funding Outcomes and Priorities but to a lesser extent than Priority 2 applications. Not recommended for funding.
 - Priority 4** Meets all eligibility criteria and has minimum contribution to Funding Outcomes and Priorities; or Insufficient information provided by applicant (in application and after request from Advisor); or other funding sources more appropriate. Not recommended for funding.
18. Staff have used the following criteria to determine whether an application is a Priority One:
 - Impact the project has on the city
 - Reach of the project
 - Depth of the project
 - Value for Money
 - Best Practice
 - Innovation
 - Strong alignment to Council Outcomes and Priorities
 - Noteworthy leverage or partnership/match funding from other organisations or government departments.
19. In total, one ineligible application was received.

20. Small Grants Fund Assessment Committees have delegated authority from the Council to make final decisions on the Small Grants Fund for their respective wards. The Committee's decisions will be actioned immediately following the decision meeting and approval of the minutes. All groups will then be informed of the decisions and funding agreements will be completed. All funding approved is for the period of September to August each year, therefore grants will be paid out in early September 2011.
