PURPOSE OF REPORT

1. The purpose of this report is for the Hagley/Ferrymead Community Board to consider applications for funding from its 2011/12 Discretionary Response Fund from the Sumner Urban Design group for \$15,000 for payment of salaries and wages for time spent in the development of the Sumner master plan.

EXECUTIVE SUMMARY

2. In 2011/12, the total pool available for allocation for the Hagley/Ferrymead Discretionary Response Fund is \$51,197. By resolution of the Council unspent or unallocated funds from the 2010/11 Strengthening Communities Fund and the Metropolitan Small Grants Fund were allocated to local discretionary response funds, increasing the amount available for allocation by the Hagley/Ferrymead Community Board in 2011/12 to \$73,084.40. The Discretionary Response Fund opens each year on 1 July and closes on 30 June the following year, or when all funds are expended.
3. The purpose of the Fund is to assist community groups where the project and funding request falls outside other council funding criteria and/or closing dates. This fund is also for emergency funding for unforeseen situations.
4. At the Council meeting of 22 April 2010, Council resolved to change the criteria and delegations around the local Discretionary Response Fund.
5. The change in criteria limited the items that the local Discretionary Response Fund does not cover to only:
 - (a) Legal challenges or Environment Court challenges against the Council, Council Controlled Organisations or Community Board decisions
 - (b) Projects or initiatives that change the scope of a Council project, and
 - (c) Projects or initiatives that will lead to ongoing operational costs to the Council.

Council also made a note that: *"Community Boards can recommend to the Council for consideration grants under (b) and (c)."*

6. Based on these criteria, the application from the Sumner Urban Design Group for \$15,000 for payment of salaries and wages for time spent in the development of the Sumner master plan is eligible.
7. Detailed information on the applications and staff comments are included in the **attached** Decision Matrix.
