

## 7. SINCLAIR STREET - PROPOSED KERB AND CHANNEL RENEWAL

The Project Consultation Leader informed the Board of the results of the community consultation and requested that the Board approve the appended concept plan for the renewal of the dish channels in Sinclair Street for construction. The Board **resolved**:

1. That the concept plan for the Sinclair Street kerb and channel renewal appended to the report be approved for construction.
2. That the parking restrictions set out in clauses 1 to 4 inclusive of the Project Consultation Leader's report be approved.
