

15. ARMAGH STREET CONSTRUCTION ZONE

The Committee considered a report seeking approval for the installation of a construction zone on the south side of Armagh Street just west of Colombo Street.

The report noted that a 13 storey apartment building was being constructed at 102 Armagh Street and that to assist operations on site and to minimise the movement of trade vehicles in and out of the site, the provision of a construction zone had been requested.

The Committee **resolved**:

1. That six parking meters with a time limit of 60 minutes on the south side of Armagh Street commencing at a point 47 metres from its intersection with Colombo Street and extending in a westerly direction for a distance of 44 metres be revoked.
2. That a "Construction Zone Authorised Vehicles Only" be created on the south side of Armagh Street commencing at a point 61 metres from its intersection with Colombo Street and extending in a westerly direction for a distance of 31 metres.
