

12. CENTRAL CITY SHUTTLE REVIEW STAGE 3

The Committee considered a report on the central city shuttle review seeking support from the Council to commence consultation on a recommended option to improve the central city shuttle service.

As a consequence of comments provided at the meeting in respect to the legal requirement for the Council to re-tender the ongoing shuttle operation in accordance with the provision of the Local Government Act 2002 the Committee **decided** to defer consideration of this matter to its September 2004 meeting to allow for more specific legal advice to be sought.

Note: The previous resolution made by the Committee in respect to this item was formally rescinded in terms of clause 2.18.16 of the Council's Standing Orders.
