

3. DRAFT ROAD SAFETY STRATEGY

Officer responsible Transport and City Streets Manager	Author Susan Cambridge, DDI 332 2722
--	--

The purpose of this report is to provide information on the changes to the Draft Christchurch Road Safety Strategy made as a result of the submissions received to the consultation process.

REVIEW OF THE CHRISTCHURCH ROAD SAFETY STRATEGY

The Draft Christchurch Road Safety Strategy was promoted to the public for consultation from 10 May 2004 to 18 June 2004. There were 23 submissions received with suggestions and proposed changes to the draft. These changes have been circulated and presented to the Road Safety Co-ordinating Committee and to a seminar for the Sustainable Transport and Utilities Committee and Community Boards. Some further changes have been made as a result. A copy of the updated strategy has been separately circulated to members which also contains additional amendments in respect to the objectives for 'Road Users with Disabilities'.

Committee

Recommendation: That the Christchurch Road Safety Strategy as amended be adopted by the Council.
