

1. DEPUTATIONS BY APPOINTMENT

1.2 WALKWAY BETWEEN NEW BRIGHTON MALL AND HAWKE STREET

Mr Pitcaithly was in attendance to request that satisfactory access be maintained on a public walkway between New Brighton Mall and Hawke Street. The walkway exits at the western end of the mall between the chemist shop and the doctors' surgery. Mr Pitcaithly considered that a car park at the Hawke Street end had intruded on pedestrian use of the walkway.

The Board **decided** to request that the Transport and City Streets Unit report on the ownership and status of the public walkway, for consideration at the Board meeting on 21 June 2004.
