##### **Ms Emma Twaddell**

Ms Emma Twaddell spoke to the Board about the Courtenay Street designation on behalf of the Courtenay Street residents.

Ms Twaddell informed the Board that the residents were quite happy with the current situation and wanted to know why the designation was still in place in the City Plan even though it was thought by the community that the designation had been lifted.

The Chairperson informed Ms Twaddell that the Board supported the residents' request for the designation to be lifted and that they would be informed on progress.
