

## 10. DRAFT ROAD SAFETY STRATEGY

The Board considered a report on the draft Christchurch Road Safety Strategy.

The existing Christchurch Road Safety Strategy is now five years old and was programmed to be updated at this time. The updated Christchurch Road Safety Strategy will allow Christchurch to expand and better focus resources to address local road safety issues while complementing the work being done nationally.

The Board **resolved** that a subcommittee comprising Yvonne Palmer, Anne Carroll, Ingrid Stonhill and Graham Condon prepare a submission on the Christchurch Road Safety Strategy.
