

9. LOCKSLEY AVENUE - WALKWAY DEVELOPMENT

The Parks and Waterways Area Advocate sought the Board's support on the development concept for the Locksley Avenue walkway, prior to public consultation. The Board **resolved**:

1. That the information be received.
2. To approve the proposed Locksley Avenue walkway concept plan for consultation.
3. To give prior approval to the construction of 300 metres of walkway extending from Snell Place during the current financial year, provided the prior consultation process confirmed support for its construction.
