

2. NEW BRIGHTON - REVITALISATION

The City Solutions Manager updated the Board on the implementation of the Master Plan for the revitalisation of New Brighton and sought support for releasing the Registration of Interest document for the foreshore at New Brighton. The Board **decided:**

1. That the information be received.
2. That the Board recommend to the Property and Major Projects Committee that the Registration of Interest document seeking submissions for developments on the foreshore at New Brighton be approved for release.
3. That officers investigate an early return to two-way traffic for Union Street between Beresford Street and Seaview Road.
