

11. PROPOSED NEW ROAD NAMES

The Subdivisions Officer sought the Board's approval for five new road names, and a new right of way name. The Board **resolved**:

1. To approve the names "Bluestone Drive", "Rockport Place", "West Green", "Timberlands Terrace" and "Millpond Place" for the new roads in the Waitikiri Lake subdivision.
2. That the Road and Right of Way Naming Working Party meet on 24 March 2004 to discuss strategies to ensure street names reflect the character, history and environment of the location.
